Zak Sherman, President Elect

Ohio University 1994-1998 College of Communication, Dept. of Interior, National Park Service wastewater specialist / septic installer (1999-2006), Territory Manager for Infiltrator Water Technologies 2006-Present, Technical Advisory Committee- Ohio Department of Health 2012-Present, IOWPA board of Directors 2011-2017.

Phone: 888-231-9791 Email: zsherman@infiltratorwater.com

Robert Wildey, Secretary

Robert has a broad background spanning several industries. He has been with Clermont County Public Health since 1995 and has been the director of the Water and Waste Division since 1998. During that time he has given numerous presentations and served on multiple boards. He was part of the founding committee for OOWA in the late 90s and was on the Board of Directors from its inception until 2002. Robert served as President of OOWA in 2001 and 2017 and also participated on ODH's Rules Advisory Committee.

Phone: 513-732-7606 Email: rwildey@clermontcountyohio.gov

Chris Mandich, Vice President/Communications Committee Chair

Chris is the Director of Operations for Jet, Inc. He has over 13 years of experience in construction management and the application of advanced onsite treatment systems. He is currently a member of the Ohio Department of Health Sewage Treatment System Technical Advisory Committee (TAC), a past voting member of the National Onsite Wastewater Recycling Association (NOWRA) Board of Governors and the State Onsite Regulators Association (SORA) Captains of Industry.

Phone: 440-461-2000 Email: cmandich@jetincorp.com

Walter Sandefur, Treasurer/Events & Programming Committee Chair

Walt is a sewage treatment system designer who has been working in central Ohio since 2006. He has an Ohio Professional Engineer's license, was a member of the Ohio Department of Health's Rule Advisory Committee and is currently on the Ohio Department of Health Sewage Treatment System Technical Advisory Committee.

Phone: 614-565-4977 Email: walt@sandefurconsulting.com

Ralph Benson, Director

After retiring from the Clermont County General Health District, Mr. Benson formed his own consulting company. He served on the NOWRA Technical Practices Committee, was involved with the NEHA installer credential development project and is a former Director of the National Onsite Wastewater Recycling Association (NOWRA). Ralph has worked diligently on a Standards of Practice program and an Installation Quality Assurance plan. He also developed Clermont County's SNARP program, which takes a HSTS replacement installation and breaks it down into several manageable steps allowing the homeowner the opportunity to save money over a full replacement.

Phone: 937-515-5285 Email: rab.cces@gmail.com

Jason Menchhofer, Director and Newsletter Editor

Jason worked extensively in the household sewage treatment program in two local health departments over a period of seventeen years before recently moving into his current position as Administrator and Accreditation Coordinator for Mercer County Health District. He has been a member of OOWA for 15 years and was a member of the STS Rule Advisory Committee.

Phone: 419-586-3251 ext. 1273 Email: jmenchhofer@mchdohio.org

Chris Griffith, Director

Chris Griffith has been Director, Division of Water Quality, Hamilton County Public Health, since 2005. He was a sanitarian in the Water and Waste Division at Clermont County General Health District from 1997-2002. He authored and implemented the STS Regulations used in Hamilton County since 2004. He successfully implemented over 1,200 alternative technologies (mounds, drip, etc.) STS in Hamilton County. Chris oversees an operation permit inspection program with over 19,000 septic systems and 12 STS inspectors. In 2001 Chris published ASABE's On-site Wastewater Treatment for work on modified mounds on difficult soils.

Phone: 513-946-7866 Email: christopher.griffith@hamilton-co.org

Jason Little, Director

Jason is a registered professional engineer and professional surveyor in Ohio. Jason is an alumnus of Ohio Northern University and Columbus State Community College with experience in both public and private projects working on design/maintenance of water/wastewater projects. Jason began his own consulting company in 2012 designing sewage systems for residential and commercial clients.

Phone: 740-463-9446 Email: jason.little@abcengineer.org

Susan Scarbrough, Director

Susan is the Service Department Manager for Mack Industries, Inc., a multi-state pre-caster with an office in Valley City, Ohio. Her professional career with wastewater began over 30 years ago, however, her concern about the environment started long before. She is active in the community and is often asked to speak at public events. Susan's career began in a different direction as a hazardous waste coordinator, and eventually as an over the road truck driver. She is currently working on an educational waste water series called "Did you Know?" as well as a new member of the OOWA board of directors. Email: sscarbrough@mackconcrete.com

Shad Gallogly, Director and Membership Committee Co-Chair

Shad is a septic installer who became a member of the OOWA board in 2018. Shad has been working as an installer for 29 years. His career began by working for another installer and now he owns/operates his own excavating business. Shad is also an active Morrow County Board of Health member. Phone: 419-253-3477 Email: galloglyexcavating@gmail.com

Manny Diaz, Director

Manny is the owner and operator of Jack's Septic Service in Newark, OH. He is a licensed septic system installer, service provider and sewage hauler/pumper. Manny is active in local onsite sewage system education and training programs and was elected to the OOWA Board of Directors in 2019. Phone: 740-366-3255 Email: jacksseptic@yahoo.com

Zach Gossett, Director and Membership Committee Co-Chair

Zach is a septic inspector and installer for Tidy Tim's, Inc. in Mt. Gilead. He is a graduate of The Ohio State University and has been working with Tidy Tim's for 5 years. He works to educate homeowners on septic system operations as well as how to properly maintain them. He also has developed a relationship with a local real estate agency to further educate all their agents regarding septic systems. Email: zach@tidytimsinc.com

Paul Bennett, Director

Paul started January 1, 2019 as the Residential Service Manager at Norwalk Concrete Industries. Over the course of this past year, he has spent nearly all of his time learning and applying rules laid out by the Ohio Department of Health, in conjunction with local Health Districts. He has developed the skill set to design, service, and resolve issues with residential and commercial systems. Previous to Norwalk Concrete Industries, Paul was the Chief Operating Officer for a latex manufacturing company. The experience as COO taught him to focus on the details, while working towards a larger goal. Email: pbennett@nciprecast.com

Kyle Bianco, ODH Representative

O.O.W.A. Directors each serve a three-year term. The Board members represent different professions in the industry throughout the state of Ohio. The Board of Directors meets every 6-8 weeks on a Friday morning at City Barbecue restaurant, in Reynoldsburg. All O.O.W.A. members are invited to attend and participate.
